Sir,

Adverting to Government Order No L 7365-7/M1 169-43-4 dated 19th January 1944 sanctioning an establishment for the preparation of a Resume of Works done in the Trust Board, I have the honour to state that at the request of the Office, the Chief Engineer posted Mr G Sampath, Overseer, who was -- working in the Engineering College as Lecturer, against the place of Sub -- Engineer sanctioned for the work He reported himself for duty in this -- Office on 10th February 1944 and necessary staff etc , was provided to him from 12th February 1944 He workd at the preparation of the resume till -- 2nd April 1944 with frequent interuptions in the middle due to his ill-health and applied for a month's privilege leave from 3rd April 1944 on Medical -- grounds which he has now extended by a further period of 3 months as Doctors have advised him complete rest and treatment for the above period Though the Chief Engineer was addressed in the matter no substitute has been posted till now As previous experience of Trust Board works is a necessity in the case of any Officer posted for that work, it is unlikely that a suitable -- substitute in his place will be made available in the near future Considering the work that has already been done and that remaining to be done, the -- work is proposed to be carried on without a Sub Engineer and the establishment sanctioned admits of curtailment as otherwise also provided the period is -- suitably extended

2 As per original sanction conveyed the total cost of establishment sanctioned was Rs (495 x 6) 2,970/- The expenditure incurred to end of -- June 1944 will be Rs 1,330/- A reduced establishment as per details noted in the margin may be continued for a further period of six months from 1st July 1944 without exceeding the cost originally sanctioned As no full --
